**DEPARTMENT OF FAMILY ADMINISTRATION  
FAMILY DIVISION / FAMILY SERVICES GRANTS  
GUIDELINES FOR GRANT RECIPIENTS**

The Maryland Judiciary receives state funding each year to enhance the circuit courts' ability to provide a fair and efficient forum for resolving domestic and juvenile matters. The Administrative Office of the Courts (AOC), through its Department of Family Administration (DFA) administers the grants designed to improve the management of family law cases and support a spectrum of services to families involved in the legal system. The DFA solicits applications each year through Notices of Funding Availability (NOFAs).

**1. TYPES OF GRANTS AVAILABLE**

The DFA offers four types of grants: Circuit Court Jurisdictional Grants, Special Project Grants, Permanency/Termination of Parental Rights (TPR) Grants; and the Court-Appointed Special Advocate (CASA) Grants. This guideline explains the application processes and grantee requirements for all four types of grants.

**1.1 Circuit Court Jurisdictional Grants**

Circuit Court Jurisdictional Grants are designed to establish and maintain family divisions within Maryland's larger circuit courts and to support family services programs within the smaller circuit courts. They are intended to assist the circuit courts in fulfilling the mandate of Maryland Rule 16-204. They are *not* intended to supplant existing services offered by the circuit courts, nor are they intended to support basic operational costs for the courts. Insofar as these funds are utilized to create new positions and new programs, grantees may be expended a reasonable amount on one-time costs (e.g., to purchase a computer for a new employee) or operational costs that otherwise would not be supported by the court. See Section 3.1 for information on the application process.

**1.2 Special Project Grants**

Special Project Grants support programs designed to enhance the experience of families and children involved with Maryland's legal system. Special Project applicants may request funding for positions, programs, brochures, surveys or studies. See Section 10 for information on the application process.

**1.3 Permanency/Termination of Parental Rights (TPR) Grants (Foster Care Court Improvement Project)**

The Foster Care Court Improvement Project (FCCIP) within the Department of Family

Administration receives funds to further the initiatives outlined in the Administrative Office of the Courts' 2001 TPR Plan of Action. They are intended to enhance the juvenile courts' and other stakeholders' efforts to ensure permanency for children involved in Child In Need of Assistance (CINA), and related termination of parental rights (TPR) and adoption proceedings. See Section 11 for information on the application process.

#### **1.4 CASA Grants**

State and local CASA programs serve abused and neglected children who are involved in CINA and related cases in the juvenile courts. These grants support programs that provide volunteers whose primary purpose is to ensure that children who are the subject of a CINA proceeding are provided with appropriate services and case planning that is in their best interest. See Section 12 for information on the application process.

### **2. OTHER FUNDS**

Grantees are encouraged to seek additional funding for family division activities and programs from sources other than the grants described above. Local county governments that support the regular activities of the circuit court will continue to provide funding for existing positions. They also may be called upon to support new positions or programs to advance the courts' family law initiatives. Circuit courts may also pursue other governmental and private grants for family divisions and family services programs.

As described in Section 9.2, in some instances circuit courts are empowered to charge fees to the litigants for specific services. If permitted, those funds may be used to offset the cost of existing programs or to subsidize other family division / family services activities.

### **3. FUNDING CYCLE**

The DFA awards grants on the state's fiscal year cycle. Grants awarded for Fiscal Year 2008 will support family and juvenile program needs from July 1, 2007 through June 30, 2008.

**Circuit Court Jurisdictional Grants.** The DFA makes award decisions after the close of the General Assembly's Legislative Session and before July 1. Each county administrative judge will be notified of the amount of the grant via a letter from the Chief Judge of the Court of Appeals in June, immediately preceding the commencement of the fiscal year.

**All Other Grants.** The DFA makes all other grant award decisions on a timeline established in the respective NOFA.

#### **3.1 Circuit Court Jurisdictional Budget Requests**

All Circuit Court Jurisdictional Grant applicants must project their program needs for two years. They must have forwarded a proposed budget request for Fiscal Year 2008 in July 2006. Grantees must submit their projected budgets for Fiscal Year 2009 by July 15, 2007. Once the DFA receives the budget requests, the DFA will review all budgetary and programmatic information and determine the level of funding to be appropriated for each court. Additional funds may not be

available for unanticipated needs during the course of the fiscal year.

**NOTE:** Circuit Court Jurisdictional Grant recipients may *not* apply for Special Project Grants. In addition, Permanency Grants will not be awarded to Circuit Court Jurisdictional Grantees for more than two consecutive years. Circuit Court Jurisdictional Grantees that received Permanency Grants in the past must submit requests for continuation funding in their Jurisdictional Grant budgets if they wish to continue these programs or services.

Each county administrative judge will be informed of the amount of the family division / family services grant via a letter from the Chief Judge of the Court of Appeals in June, immediately preceding the commencement of the fiscal year that the funding supports.

### **3.2 Other Grant Budget Requests.**

The requirements for budget requests submitted in connection with other grant programs are explained in the Notice of Funding Availability (NOFA) for each. See Section 10 for information on the Special Project Grant application process, Section 11 for information on the TPR/Permanency Grant application process, and Section 12 for information on the CASA Grant process.

**3.3 Mid-Year Grant Requests.** The DFA reserves the right to make mid-year grants upon request and upon availability of funds. Requests may be submitted in response to a Notice of Funding Availability (NOFA), if distributed mid-year, or upon consultation with DFA staff. Grantees may use the mid-year request grant procedure to request funding for positions or programs which were not anticipated in their original budget request.

### **3.4 Distribution of Funds**

In general, the DFA will distribute all grants on a quarterly basis on approximately the following schedule:

First Payment: July 1  
Second Payment: October 1  
Third Payment: January 1  
Fourth Payment: April 1

The DFA will determine the amount of each payment, in consultation with the grantees. Payments do not necessarily need to be in equal installments.

The DFA will withhold payments in the event that the jurisdiction or other grantee has failed to comply with the grant requirements specified below, or if those reports reflect that a jurisdiction or grantee has failed to expend funds previously distributed within a reasonable time period.

### **Unspent Grant Funds**

Grantees must project unspent or unobligated grant funds no later than May 15, 2008. Grantees must expend all grant funds by the end of the fiscal year in which they are awarded or return them within 45 days after the end of the fiscal year. Under limited circumstances and upon approval of DFA staff, grantees may be authorized to expend prior year grant funds into the next fiscal year.

**Identifying Fund Recipients for Grantees.** When Circuit Court Jurisdictional Grantees are notified of their grant award, each administrative judge will be asked to identify the person or entity to whom payments should be made and the address to which the payment should be mailed. All other grantees will be asked to identify the person or entity to whom payments should be made and the address to which the payment should be mailed.

### **3.5 Adjusted Budgets**

Once Circuit Court Jurisdictional Grantees are notified of the amounts of their awards, each will be required to submit a revised budget, reflecting a spending plan based on the actual amount awarded. Each jurisdiction will be held accountable for complying with this revised budget through the quarterly reporting process, described in Section 5.1.1.

All other grantees may be asked to submit an adjusted budget if the amount awarded did not equal the amount requested, or otherwise upon request of the DFA.

### **3.6 Mid-Year Budget Modifications**

Grantees may make minor adjustments to budgets during the course of the fiscal year without prior approval. Any modifications which would result in a deviation of 10% of the overall budget, or \$25,000, whichever is lower, or any commitments such as a new position or contract which is likely to impact future fiscal years, must be approved in advance by the DFA. Grantees must submit modification requests in writing using the appropriate form provided in Section 9 for Jurisdictional grants, Section 10 for Special Project grants, Section 11 for TPR/Permanency grants, and Section 12 for CASA grants.

Expenditures that do not comply with the adjusted or approved budget will not be authorized until the DFA staff signs and returns a copy of the approved budget modification form to the grantee.

## **4. ACCOUNTING REQUIREMENTS**

### **4.1 Establishing Revenue and Expenditure Accounts**

Each grantee must maintain records of its financial transactions and accounts in accordance with generally accepted accounting principles.

Each Circuit Court Jurisdictional Grantee must work closely with its local county or city government to establish appropriate accounting practices to monitor grant funds awarded through this program. Family divisions shall follow the general accounting principles used by the local county or city government. Each circuit court must establish a separate revenue account into which family division / family services funds must be deposited. Each circuit court must likewise establish a separate expenditure account to which family division / family services expenditures must be charged. Each circuit court is responsible for periodic (i.e., monthly) monitoring of these accounts to ensure that grant funds are credited and charged appropriately. Grant funds shall not be commingled with or revert to general county or city funds.

### **4.2 Personnel and Payroll Records**

Each Circuit Court Jurisdictional Grantee must follow local county payroll, personnel, and time and attendance procedures for each position supported by its grants.

All other grantees must follow their regular payroll, personnel, and time and attendance policies for each position provided for by these grants.

Upon request, grantees must provide a copy of those policies to the DFA.

#### **4.3 Procurement**

Each Circuit Court Jurisdictional Grantee must follow local county procurement policies in expending grant funds.

All other grantees must abide by their regular procurement and financial policies in expending grant funds.

Upon request, grantees must provide a copy of these policies to the DFA.

#### **4.4 Reconciliation with County/City Records**

Each jurisdiction is responsible for periodic (i.e., monthly) monitoring of county/city records regarding family division / family services grant funds. The administrative judge or a designated staff person should receive monthly expenditure reports and reconcile family division records with those of the county to ensure accuracy.

#### **4.5 Management Reviews and Audits**

Grant recipients may be subject to periodic management reviews or audits.

### **5. REPORTING REQUIREMENTS**

The DFA will not accept faxed or e-mailed reports. Only hard copies with the original signatures will be accepted. Reports must be complete when submitted. Partial reports will not be accepted.

### 5.2 Annual Reports

#### 5.2.1 Circuit Court Jurisdictional Grantees

In accordance with Maryland Rule 16-204, the county administrative judge shall prepare and submit to the Chief Judge of the Court of Appeals, no later than October 15 of each year, a written report that includes a description of family support services needed by that court, a fiscal note that estimates the cost of those services for the following year, and an estimate of the fiscal needs of the Clerk of the Circuit Court arising from new family division / family services programs and initiatives. This report should take the form of an annual report of the family division or family services program and should also include a summary of existing programs and activities of the family division / family services program. A copy of the report must be provided to the DFA.

**NOTE:** Although Maryland Rule 16-204 specifies that this report is to include a fiscal note, any budget requests for the following year must be made mid-July or the deadline indicated in Section 3.1 above. Budget requests which are presented for the first time in this fiscal note will not be considered.

#### 5.2.2 CASA Grantees

Local CASA grantees must submit an annual report to Maryland CASA no later than July 15, 2008. Maryland CASA must submit a combined statewide report to the DFA no later than August 1, 2008. All reports must be submitted in the format provided.

Information collected from the reports will be used to monitor funded programs and assist the DFA in determining if the program is meeting its stated goals and objectives. The DFA reserves the right to reflect the data reported in statistical reports, annual reports, and other publications for general distribution.

### 6. Site Visits

All grantees may be subject to site visits by DFA staff or Department designees. Site visits will be designed to ensure compliance with the grant guidelines and evaluate grantees in light of their stated objectives as well as the *Performance Standards and Measures for Maryland's Family Divisions*.

## **7. NEW POSITIONS AND PROGRAMS**

All new positions and programs must commence within 90 days of the beginning of the fiscal year or other projected start date as indicated in the grantee's budget. If the project is not operational within that time frame, the grantee must report to the DFA the steps taken to initiate the project, the reason for delay, and the expected start date. Failure to implement new positions or projects within this 90 day period or to obtain an extension from the DFA may result in a cancellation or delay of fund distribution. Extensions for delays must be submitted within the 90 day timeframe.

## **8. PROGRAM INFORMATION**

All grantees must inform the DFA within 15 days of any changes in key program personnel, program activities, program name, address or other contact information.

Grantees must submit organizational information including program brochures, policies, by-laws, articles of incorporation, and other materials upon request to the DFA.

## **9. REQUIREMENTS FOR JURISDICTIONAL GRANTEES ONLY**

### **9.1 Other Reports**

Each Circuit Court Jurisdictional Grantee also will be periodically required to conduct surveys or record reviews and submit the results to the DFA to ensure compliance with performance standards established for the family divisions and family services programs.

### **9.2 Fees**

If authorized by law, individual litigants may be levied a fee for services provided by or through the circuit court family division or family services program. Fees may be made payable to the court or to an individual service provider such as a mediator or parent educator. Prior to levying fees, the circuit court must establish written procedures for collecting and accounting for such fees, and for providing for fee waivers to those of limited financial means. A copy of the written procedures must be submitted to the DFA upon request.

### **9.3 Accounts Receivable**

Each Circuit Court Jurisdictional Grantee shall establish a formal system for collecting fees and for monitoring accounts receivable. The court shall establish a cooperative relationship with the Office of the Clerk to collect fees charged for family services. The administrative judge is required to report to the DFA on all fees levied for family law related services, whether those fees have been paid, and where those fees have been deposited or to whom they have been paid.

**9.3.1 Fees Due the Court.** When litigants have been ordered to pay a fee to the court, the court shall ensure that court-ordered fees have been paid in a timely fashion and shall establish a procedure for collecting unpaid fees. The court shall also establish a procedure and timeline for placing accounts in inactive status for uncollectible debts. If the fee is for a service provided by a Circuit Court Jurisdictional Grant, the fee shall be deposited into the family division / family services revenue account. Under no circumstances shall funds be commingled with or revert to general

county or city funds.

#### **9.4 Fee Waivers**

Each Circuit Court Jurisdictional Grantee shall provide litigants the opportunity to request a waiver of fees for any court-ordered or voluntary service provided through the court. The court may also offer a sliding scale arrangement to low income litigants, if they charge a fee. Even if a sliding scale fee is charged, however, the court must offer a complete fee waiver in appropriate cases.

##### **9.4.1 Procedure and Forms**

Circuit Court Jurisdictional Grantees shall provide any litigant who wishes to request a waiver of family services fees with a copy of the Motion for Family Services Fee Waiver, proposed Order, and accompanying Affidavit provided in this document. The circuit court shall consider any such motion filed in light of the standards provided in Paragraph 5.2.2.

##### **9.4.2 Definitions**

In determining eligibility for fee waivers, please refer to the definitions below:

**Income** This refers to actual current annual total cash receipts **before taxes of all persons who are resident members of, and contribute to, the support of a family unit.**

This INCLUDES:

- Wages and salaries before any deduction
- Income from self-employment after deductions for business or farm expenses
- Regular payments from public assistance, social security; unemployment and worker's compensation
- Strike benefits from union funds
- Veterans benefits
- Training stipends
- Alimony, child support and military family allotments or other regular support from an absent family member or someone not living in the household
- Public or private employee pensions
- Regular insurance or annuity payments
- Income from dividends, interest, rents, royalties or from estates and trusts

This DOES NOT INCLUDE:

- Money withdrawn from a bank
- Tax refunds
- Gifts
- Compensation and/or one-time insurance payments for injuries sustained
- Non-cash benefits
- Food or rent in lieu of wages

**Family Size** Refers to the number of **adults and children residing in the home** with the person requesting the fee waiver. It may also include children who do not reside with the person requesting the waiver, but for whom the person is currently paying support.

Factors to consider when determining “family size”:

- living arrangements
- familial relationships
- legal responsibility
- financial responsibility or family unit definitions used by government benefits agencies

### 9.4.3 Determination of Eligibility

In making fee waiver determinations, please follow the guidelines below:

- a. Determine Income and Family Size and reference chart in Section 5.2.2 for waiver eligibility.
- b. A full fee waiver **must** be granted to those individuals whose income is below the threshold indicated, UNLESS
  1. The litigant has significant assets that can be readily drawn upon to pay for the services for which a fee waiver has been requested; OR
  2. The litigant has significant assets that suggest that they have access to the resources necessary to pay the fee for which a waiver has been requested, even though those resources may not be reflected in their income statement. Significant assets in excess of a house and a car might warrant closer scrutiny.
- c. A full or partial fee waiver may be granted to an individual whose income is higher than the threshold indicated, if:
  1. The court adopts guidelines that are more lenient than those indicated in the chart, and applies those guidelines to all litigants requesting fee waivers; OR
  2. The litigant demonstrates that they have extraordinary expenses that affect their ability to pay the fee. Factors which may be considered include:
    - Medical expenses
    - Fixed debts and obligations, including unpaid Federal, state and local taxes from prior years;
    - Child care, transportation and other expenses necessary for employment;
    - Expenses associated with age or physical infirmity of resident family members; and
    - Other significant factors related to financial inability to pay for services.

#### 9.4.4 Minimum Standard for Fee Waivers

Circuit court grantees shall grant a complete waiver of family services fees to any litigant whose income is **equal to or less** than the amounts in the table below.

<u>Family Size</u>	<u>Annual Income</u>	<u>Monthly Income</u>	<u>Weekly Income</u>
1	\$23,298	\$1,942	\$448
2	\$30,467	\$2,539	\$586
3	\$37,635	\$3,136	\$724
4	\$44,804	\$3,734	\$862
5	\$51,973	\$4,331	\$999
6	\$59,141	\$4,928	\$1,137
7	\$60,485	\$5,040	\$1,163
8	\$61,830	\$5,152	\$1,189
9	\$63,174	\$5,264	\$1,215
10	\$64,518	\$5,376	\$1,241

“Family size” refers to the number of adults and children residing in the home with the person requesting the fee waiver. It may also include children who do not reside with the person requesting the waiver, but for whom the person is currently paying support.

The chart above is based on household income information contained in the Federal Register, March 28, 2007, Vol. 72, No. 59, which states that the median income for a Maryland family of four is \$89,608. The figures above reflect 50% of the median family income for the State of Maryland, and establish maximum income levels for client eligibility.

#### 9.5 Interest on Grant Funds

Interest earned on unspent balances in the family division / family services revenue account may be credited to the family law revenue account upon agreement of the Circuit Court grantee and local government. If interest accrues on the account, the interest should be reflected in the grantee’s quarterly report and plans for its expenditure should be included in the grantee’s budget. In no instance should interest earned on grant funds be commingled with or revert to general county or city funds.

## **12. REQUIREMENTS FOR CASA GRANTS ONLY**

The DFA may allocate funds each fiscal year to provide for CASA Grants. These grants are intended to support programs which are designed to ensure that children are provided a CASA volunteer, as appropriate, to serve their individual needs and promote a safe, permanent placement, as timely as possible. Those interested in obtaining a CASA Grant must submit the application included in this section in response to the Notice of Funding Availability (NOFA). NOFAs will be distributed on or before April 15 of each year with applications due as defined in the NOFA. Funding will commence the fiscal year immediately following. For example, to request funding effective July 1, 2007, prospective grantees must submit their applications by May 30, 2006. Applicants must submit ONE SIGNED ORIGINAL PLUS NINE (9) COPIES of the complete application by the due date. Funding decisions are made in light of the *Performance Based Funding Model for Maryland CASA Programs*.

**NOTE:** CASA applicants may only apply for grants under this category.

### **12.1 Acknowledgment Requirement for CASA Grantees**

Any publication (written, visual or sound) issued by the Grantee describing projects funded in whole or in part with DFA Grant Program funds shall contain the following statement: "This project is supported by a Grant from the Maryland Administrative Office of the Courts, Department of Family Administration."

The DFA requests notification from grantees of any events that occur as a result of the grant funds received from the Department.
